Re: Proposed acquisition of control of Aetna Insurance Company of Connecticut by Continental Casualty Company, The Continental Corporation, CNA Financial Corporation, and Loews Corporation.

Docket # 22-14

Attorney Retersdorf:

The Connecticut Insurance Department ("Department") has completed its review of the Amended and Restated Form A Statement filed by Continental Casualty Company, the Continental Corporation, CNA Financial Corporation, and Loews Corporation (the "Applicants").

At this time the Department is still awaiting clarification regarding several third-party verification reports. While this information is requested and will remain outstanding until received, the Department considers the Application complete and will proceed with the Form A public hearing process.

Attached herewith please find a Hearing Letter which sets forth the date of the hearing (May 25, 2022) and the responsibilities of the Applicants with this regard. I have also attached a Notice of Public Hearing which sets forth the language to be published in the Hartford Courant.

At your next earliest convenience, please confirm your consent to receiving all pleadings and other communications related to this hearing by email.

Please contact me should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer M. Dowty".
